Html-Email Developer | HTML/CSS & JavaScript | Seeking Full-Time
Html-Email Developer Job

Valencia, Sangre Grande, Trinidad and Tobago

Summary

As an HTML email developer and civil engineering student at the University of Trinidad and Tobago, I'm eager to build a career in software development. My proficiency in HTML, CSS, and JavaScript enables me to work on projects that showcase my skills and passion for technology.

In addition to my technical skills, I'm a strong communicator and natural problem-solver who can work independently or as part of a team. I'm dedicated to making a positive impact through technology, and I believe my passion and skills make me an ideal candidate for a career in software development. If you're looking for someone who is hardworking, eager to learn, and committed to success, let's connect.
